

Bournemouth Collegiate School

Homestay and Residential - Bournemouth, Dorset

Bournemouth Collegiate School has a long history, and was originally founded in 1899. In 1923 it moved to its present location, taking over Wentworth Lodge, the former home of Lord Portman.

Location

Just two minutes from the beach, the school sits at the top of the cliffs of Bournemouth. It is surrounded by eight acres of private tree-lined land, providing privacy and security for our students. London, Oxford and Bath are all a comfortable 2hr coach journey from the school. All major UK airports, including Heathrow and Gatwick, are easily accessible.

Accommodation

Rooms vary from single to small dormitories, and have all been recently refurbished. Showers and bathrooms are on every floor and a weekly laundry service is offered. Homestay accommodation is also available with local host families on a bed and breakfast basis, with transport taking students to and from school every day.

Meals

Students enjoy freshly prepared food three times a day. The menu changes each week, with plenty of variety to keep students happy and healthy. Special diets can be catered for with prior notice, such as celiac, etc.

Facilities

The school offers a wide range of excellent facilities including: tennis courts; an all-weather astro pitch; a 25m indoor swimming pool; a large sports hall offering a full Olympic-size basketball court; large sports fields for football, volleyball, hockey etc. In addition to this, the beach is right on the school's doorstep. All classrooms are bright with modern furniture and the school also has WiFi.

Activities and Excursions

A full daily activity programme keeps our students entertained, with both afternoon and evening activities taking place every day of the week. In addition, students have one half-day and one full-day excursion every week, giving them the chance to visit London, Oxford, Bath, Stonehenge, and more, all while under the supervision of our activity staff.

Programme includes:

- 15 hours morning tuition per week, including textbooks
- Certificate with level assessed according to CEF (Common European Framework)
- Full daily activity programme
- 1 full-day excursion each week
- 1 half-day excursion each week
- Accommodation
- Freshly prepared breakfast, lunch, dinner
