

**Southbourne School of English is a family-owned school situated in a quiet residential area, just 10 minutes walk from the golden sands of Bournemouth beach. We usually have 18 - 30 different nationalities in school and the school has a very friendly atmosphere.**

In 2010 the school and garden were completely refurbished. There are interactive whiteboards in all 19 classrooms and plenty of seating to enjoy the garden in good weather (Bournemouth has an excellent climate – for the UK!)

We are an Examination Centre for Cambridge Business Exams; PET; KET; Young Learner Exams and Trinity Examinations.

We are open all year (except for a holiday at Christmas) and offer the following courses:

General English (15 or 21 hours per week); Cambridge Examination Preparation; IELTS preparation; 1-1; ESP courses. Summer only: International junior courses; residential junior courses. Closed group junior courses are available and large groups are welcome all year round.

We look forward to welcoming **you** soon!
